

Nerval et le pythagorisme des *Vers dorés*

Publication type: Article from a collective work

Collective work: [Nerval et l'Autre](#)

Author: Richer (Hamidou)

Abstract: Three different texts are entitled "Golden Verses": a 71 line poem composed by ancient Pythagoreans, a sonnet by G. de Nerval and a fictive text composed by a 18th century author, Delisle de Sales. This paper analyses how these three texts interact with each other.
