

Nerval ou la pensée du poétique

Essai de philosophie à l'œuvre

Publication type: Book

Author: Mees (Martin)

Abstract: This essay on Gérard de Nerval takes the question of poeticization as its guiding thread in order to examine both the meaning of creation and the relationship between art and life in Romanticism. This book, straddling the realms of philosophy and literature, highlights the poetic thought that is developed within Nerval's writing.
