

## Paris et Vienne

Publication type: Book

Author: La Cépède (Pierre de)

Scientific editors: Crécy (Marie-Claude de), Brown-Grant (Rosalind)

**Abstract:** *Paris et Vienne*, translated from the Provençal by Pierre de La Cépède in 1432, recounts the frustrated love of a young couple, whose tenacity eventually leads to the triumph of love. The version edited here belonged to Jean de Wavrin, thus establishing a link between the domain of Anjou-Provence and the court of Bourgogne.
