

Pascal Paoli

De Lumières et d'ombres

Publication type: Book

Author: Rovere (Ange)

Preface writer: Beaurepaire (Pierre-Yves)

Abstract: Pascal Paoli dominated the history of Corsica in the 18th century. This book looks at how he tried to build a state in a society weighed down by its archaisms and by the international rivalries. His participation in the Revolution, and then his break with Paris, shed light on the permanence of his political choices.
