

Rhétorique et persuasion

Réflexions sur la raison pratique

Publication type: Article from a collective work

Collective work: [Persuasion et argumentation](#)

Author: Danblon (Emmanuelle)

Abstract: This paper aims at shedding light on persuasion from a not very known text by Perelman whose intuitions will be developed by going back to Aristotle as to envisaging persuasion from the standpoint of practical reason as a technè, i.e. a rational and artisanal technique.
