

Poèmes unanimistes (1904-1910)

Publication type: Book

Author: Romains (Jules)

Scientific editor: Marangoni (Alessandra)

Abstract: The unanimism that Romains was the first to develop forms a crucial link between nascent futurism and the surrealism to come. This first avant-garde poetic season, under the banner of speed and urban flânerie, appears in all its brilliance with the publication of texts that have gone unpublished for more than a century.
