

Poésie et Bible de la Renaissance à l'âge classique

1550-1680

Publication type: Collective work

Editors: Blum (Pascale), Mantero (Anne)

Abstract: The rewriting of sacred texts opened poetic work up to interpretations that went beyond those of the initial project, whether its author was a Catholic or a Protestant. This multidisciplinary collection analyzes the political, confessional, and aesthetic implications of religious poetry from 1550 to 1680.
