

Le professeur-romancier ou le polygraphe québécois contemporain

Publication type: Article from a collective work

Collective work: [Polygraphies. Les frontières du littéraire](#)

Author: Ertler (Klaus-Dieter)

Abstract: The literary work of writer-professors often reveals the vectors of theoretical baggage which are inherent in the academic publications of their authors. The transfer of discourse operating between the actual literary world and the academic and epistemological system is the focus of this article.
