

La Genève du xvi^e siècle et ses privilèges d'impression

Publication type: Article from a collective work

Collective work: [Privilèges de librairie en France et en Europe. xvi^e-xvii^e siècles](#)

Author: Gilmont (Jean-François)

Abstract: This study analyses the system of privileges in Geneva in the sixteenth century, when the book market operated apart from national borders. It shows the intensifying competition for print monopolies, which were an instrument of power and control for the Geneva City Council.
