

Procès en récit

Formes et perception de procès avant l'an mil (IX^e-X^e siècles)

Publication type: Book

Author: Lemesle (Bruno)

Abstract: Seven cases or trials between the 830s and the year 1000 are revealed by multiple narratives that finally form one thanks to the re-use of earlier episodes. They are the ancestors of the political and ecclesiastical trials of the last centuries of the Middle Ages.
