

## ***La Fortune des Rougon* et l'insurrection de la Commune de Paris**

Publication type: Article from a collective work

Collective work: [Relire \*La Fortune des Rougon\*](#)

Author: Charles (David)

**Abstract:** *La Fortune des Rougon* can be read in the light of the insurrection of the Paris Commune. Zola, unable to prevent a somewhat risky reading which would superimpose the massacre of the Communards onto the massacre of the insurgents of Plassans, anticipated this himself when revising his text - envisaged in reaction to *Les Misérables* from the start - for its publication as a volume. These revisions are studied here. They testify to the strange topicality of the novel.
