Le Rouge et le Noir, roman du vivre

Publication type: Article from a collective work

Collective work: [Relire *Le Rouge et le Noir*](#)

Author: Ebguay (Jacques-David)

Abstract: Inversion of causality, conjunction of opposites, and generalised ambiguity: the text analyses these Stendhalian forms of duality while linking them to their sociohistoric meaning and revealing what this ambivalence makes possible: a conception of the act and life as link and gap between polarities.
