

Relire les *Salons* de Charles Baudelaire

Publication type: Collective work

Editors: Scepi (Henri), Philippot (Didier)

Abstract: Works dedicated specifically to Baudelaire's Salons are rare. This book thus sets out to explore the author's three major *Salons* (1845, 1846, 1859) from perspectives that combine the history of institutions, the history of art, the history of criticism, aesthetics, and poetics.
