

## **Le fonctionnement de la douleur selon Sénèque** Entre physiologie médicale et éthique stoïcienne

Publication type: Article from a collective work

Collective work: [Représentations de la souffrance](#)

Author: Courtil (Jean-Christophe)

Abstract: There are in Seneca's works several medical passages explaining the physiological mechanisms of pain. These passages endeavored to forge a "wisdom of the body" that allows, through a better understanding of what pain is, to defeat it.
