

La *Folie Saint-Simon*

La mémoire involontaire des *Mémoires* de Saint-Simon dans *À la recherche du temps perdu*

Publication type: Journal article

Journal: [Revue d'études proustiennes](#)
[2017 - 1, n° 5. La Bibliothèque mentale de Marcel Proust](#)

Author: Hersant (Marc)

Abstract: Building on an article published in collaboration with Muriel Adès, this contribution aims to return to other, more implicit, perhaps unconscious and surely involuntary examples of Saint-Simon welling up in Proust-places where his writing, without losing any of its own originality, seems momentarily haunted by Saint-Simon's work, to the point of being temporarily confused with it in a kind of fused dialogism.
