

Political Tensions and Theological Understandings

German Contributions to the *RHPR*

Publication type: Journal article

Journal: [Revue d'Histoire et de Philosophie Religieuses](#)
2020 - 1, 100e année, n° 1. varia

Author: Theissen (Gerd)

Abstract: Four phases can be identified in German authors' contributions to the RHPR. They reflect an evolution that itself mirrors the history of Europe, with the passage of pioneering work by New Testament scholars who courageously traced new horizons at the time of National Socialism to forms of cooperation that are both encouraged and accepted. In its own way, this development reflects the history of Europe.

Pages: 137 to 162
