

Looking back at “Ici, maintenant”

Publication type: Journal article

Journal: [Revue d'Histoire littéraire de la France](#)
1 – 2022, 122e année, n° 1. varia

Author: Steinmetz (Jean-Luc)

Abstract: In October 1973, the journal *Littérature* published “Ici, maintenant, les Illuminations,” a Freudo-Marxist journey through Rimbaud’s prose poems. We look back to see what is still relevant in this publication, focusing on the great sociological and political questions that it proposed to tackle, without seeking to identify any kind of illusory profession of Rimbaldian ideological faith.

Pages: 99 to 112
