[2023, n° 9. varia](#)

Authors: Angiuli (Lino), Augieri (Carlo Alberto)

Abstract: Two poets of the same age, friends for half a century, try to sum up their own poetic experience, also in order to evaluate the contribution that their generation, crossed by the seventy-eight moods, is able to deliver to today's young poets. The dialogue takes place without didactic poses but with the common intention of exchanging experiences to share with anyone interested in reflecting on poetry.

Pages: 389 to 402
