

## The voluble prose

*Confessions* and others autobiographical stories

Publication type: Journal article

2022, n° 20. varia

Author: Bernadet (Arnaud)

Abstract: This article looks at the regime of truth in *Confessions*, the way in which the Christian tradition shapes it (the inner-self, the “tribunal of penance”), but also the modes of expression engendered by the logic of confession as transparent revelation, in the ironic double sense of the term.
