

## Roland Dorgelès, half a century of Goncourt

Publication type: Journal article

Journal: [Romanesques Revue du Cercll / Roman & Romanesque 2020, Hors-série. Roland Dorgelès](#)

Author: Melison-Hirchwald (Gabrielle)

Abstract: From 1919 to 1973, Dorgelès worked with the Goncourt family, first as an unlucky runner-up to Proust and then as a member of the Académie. This exceptional longevity gave him a special status within the institution, which had been shaken by the war and various controversies: from a junior member to the doyen of the assembly, this novelist-journalist enabled the transition from the founding members of the institution to a modern era, while constantly reaffirming his loyalty to the Goncourt family.
