

Les idées des Lumières et le printemps arabe

La place des Lumières dans le constitutionnalisme post-révolutionnaire

Publication type: Article from a collective work

Collective work: [Rousseau, les Lumières et le monde arabo-musulman. Du XVIII^e siècle aux printemps arabes](#)

Author: Boumediene (Malik)

Abstract: Insurrectionary movements in Arab countries led to news constitutions. One can be delighted of a greater place to the human rights and the individual freedoms, in the wake of the writings of Voltaire. It also seems that the new constitutions are in the search of a better balance of powers, as writes Montesquieu in *Esprit des lois*. However this constitutional revival remains lacunar as regards to the basic rights and balance of powers.
