

## Rwanda, un deuil impossible

Effacement et traces

Publication type: Book

Author: Mwicira-Mitali (Dady de Maximo)

Scientific editor: Prudhomme (Florence)

Editorial manager: Coquio (Catherine)

Postface writer: Mugesera (Antoine)

**Abstract:** In 1994, when Dady de Maximo Mwicira-Mitali was twelve years old, the worst possible thing happened to him. During the Tutsi genocide, thousands of tortured victims, thrown into the rivers of Rwanda, were pulled from Lake Victoria. The author follows their invisible trace on the water and draws up the topography of this genocidal terror.
