**Abstract:** *Saison* is the only paper magazine entirely devoted to series in activity. Its editorial board, made up of journalists, essayists, academics and professionals from the audiovisual sector (screenwriters, editors, directors), as well as specialized writers, all great series amateurs, take it as filmic and narrative material. , but also as an unprecedented social phenomenon. Each issue offers articles dedicated to very different series, and more transversal articles, useful to dedicated series fans or dilettantes, to readers avid for information and analysis, as well as to unbeatable fans.
