## Salammbô

Publication type: Book

Author: Flaubert (Gustave)

Scientific editor: Maynial (Édouard)

Abstract: This historical novel, if it is one, is the work of a poet. Using the Mercenary War, Flaubert always speaks to us of beauty: a raw and lively, triumphal beauty, which will be inherited by the Parnassians as well as the Symbolists.

Number of pages: XIII- 437
