General director: Tiran (André)

Collaborations: Boulai (Carole), Goutte (Pierre-Henri), Jacoud (Gilles), Mouchot (Claude), Potier (Jean-Pierre), Servet (Jean-Michel), Steiner (Philippe)

Abstract: *Notes et pièces diverses*, volume VII of the *Œuvres complètes*, widens the corpus of Jean-Baptiste Say's economic works. The first part offers for the first time the whole of his unpublished manuscripts. The second part brings together the author's annotations in the margin of some books of his personal library.
