

Scandales, justice et politique à Rome

Textes inédits d'Alain Malissard suivis d'hommages en son honneur

Publication type: Collective work

Editors: Martin (Paul Marius), Ndiaye (Emilia)

Abstract: Eight previously unpublished texts by Alain Malissard recount some of the scandals that shook the Roman Republic and the social, political, and judicial trouble they caused. Several contributions pay homage by extending this examination to other periods, revealing the present echoes of past scandalous links between politics and justice.
