

Séduire du Moyen Âge à nos jours

Discours, représentations et pratiques

Publication type: Collective work

Editors: Borello (Céline), Regina (Christophe), Vickermann-Ribémont (Gabriele)

Abstract: This transdisciplinary volume explores the history and the multiple facets of discourses and practices of "seduction", from its condemnation by legal, theological, medical, moral, and other discourses, to the sense of pleasure and of an interpersonal and aesthetic undecidability.
