

## Taux d'intérêt négatifs

Le trou noir du capitalisme financier

Publication type: Book

Author: Ninet (Jacques)

Abstract: Jacques Ninet's essay, a synthesis of studies conducted between 2004 and 2016, offers an unconventional analysis of the chronic financial instability of the last twenty years. It is a well-reasoned criticism of the economic model that has been in place since the 1980s, and offers solutions for escaping the crisis.
