

Introduction

Antiquity and Middle-earth: two other worlds

Publication type: Article from a collective work

Collective work: [Tolkien et l'Antiquité. Passé et Antiquités en Terre du Milieu](#)

Author: Maillard (Dimitri)

Abstract: Antiquity and Middle-earth are two close universes, as they are two other worlds, and two worlds of the past. The study of the Antiquity in Tolkien's *Legendarium* cannot therefore be limited to the study of the borrowings from classical culture, and includes the presence of Antiquity, as a period, in the fictional history.
