

Trajectoires textuelles de l'Hercule médiéval

Mythographie, historiographie et au-delà

Publié avec le soutien du Fonds national suisse de la recherche scientifique

Publication type: Book

Author: Endress (Laura)

Abstract: This book studies the evolution of the Hercules myth through its textual transmission from Antiquity through the Middle Ages. It places a particular interest on mythography, commentaries on the Classics, historiography and the *Ovide moralisé*.
