La réédition de l'*Histoire* de Polybe commentée par Folard (1753)

Publication type: Book

Author: El Hage (Fadi)

Abstract: In 1753, a new edition of the *History* of Polybius, with commentaries by the chevalier de Folard was printed, surprisingly without any update. In fact, the defunct had prepared some corrections, but they were hidden from the public. Why ? Which role played Marshal Belle-Isle in this censorship?
