

## Vices de style et défauts esthétiques

XVI<sup>e</sup>-XVIII<sup>e</sup> siècle

Publication type: Collective work

Editors: Barbaferi (Carine), Vialleton (Jean-Yves)

Abstract: This volume brings together a set of studies that aim to redefine the French *doctrine classique*, no longer taking its foundations and rules as the point of departure for describing it, but instead defining it negatively, focusing on everything that it condemns but also finds fascinating.

Number of pages: 605
